

Vocal Music Department Sectionals

After an individual voice session with Mr. Blaney, each student is placed in the appropriate voice section based on their voice. Each student is expected to rehearse music on their own and in class sectionals every week.

Each section has a designated Section Leader who is responsible to facilitate weekly sectionals. If a section leader does not schedule a group sectional, it is still the responsibility of the student to complete a sectional that week. Section Leaders will take roll at each sectional. If students are more than 10 minutes late to a sectional, they will be marked absent and will need to complete a make-up sectional form. Once a sectional or make-up sheet is completed, students can turn them in to Mr. Blaney or Mrs. Huisken in the Vocal Music office.

Group and individual make-up sectional sheets are available in the choir room. A calendar of required sectional weeks are posted in the Vocal Music room.
